

Mathematics Department University of Firbourg

Send applications to:

ioan.manolescu@unifr.ch

Deadline:

1st of February 2018

Available Ph.D. Position

The Probability group of the Department of Mathematics of the University of Firbourg invites applications for one Ph.D. position under the supervision of Prof. Ioan Manolescu.

Candidates must have a strong background in probability; knowledge of statistical mechanics is welcome. Knowledge of French or German is desirable.

Duties include a moderate teaching load (exercice sessions) and occasional library service. We offer a friendly working environment, integration into the Swiss Doctoral Program of Mathematics, and an attractive salary.

Starting date: 1st of September 2018 (flexible).

Applications, composed of a letter of motivation, a CV and two letters of recommendation, should be submitted electronically to ioan.manolescu@unifr.ch by the 1st of February.
